

From a distance the world looks blue and green
and the snow-capped mountains white
from a distance the ocean meets the stream
and the eagle takes to flight

From a distance there is harmony
and it echoes through the land
it's the voice of hope it's the voice of peace
it's the voice of every man

From a distance we all have enough
and no one is in need
and there are no guns
no bombs and no disease
no hungry mouths to feed

From a distance we are instruments
marching in a common band
playing songs of hope playing songs of peace
there are songs of every man
god is watching us god is watching us
god is watching us from a distance

From a distance you look like my friend
even though we are at war
from a distance I just cannot comprehend
what all this fighting is for

From a distance there is harmony
and it echoes through the land
it's the hope of hopes it's the love of loves
it's the heart of every man
it's the hope of hopes it's the love of loves
this is the song of every man

God is watching us god is watching us
god is watching us from a distance
oh god is watching us god is watching
god is watching us from a distance
